

Quoting Guidelines– Liability

Requests for new trades and occupations

- Please bear in mind we cannot help with hard to place risks - this is designed to be a simple product for lower risk trades and occupations
- To request a new trade or occupation please use the online referral function or contact your BDM

We are not able to offer terms on

- Clients with turnover greater than \$2.5m during the policy period, or with more than 10 employees (including principals and sub-contractors)
- Clients that have had a liability claim or circumstance in the last 5 years
- Clients that are involved with substantial heat work
